

November, 2018

Every year in December, since the opening of Manyet Dance, we have had the opportunity of providing residents at our area's nursing and retirement homes with small Christmas dance presentations. These routines are put together rather quickly but have proven to be a worthwhile experience for all those involved. This program features our Manyet Senior, Junior, Powder Puff and Mini Dance Troupes along with a few of our younger classes. We cannot include all classes due to room size restrictions. **Your child's class has been chosen to perform at the nursing home or school as noted below.** I am so pleased that our dancers willingly share the joy of their talents during this busy season. The little ones, with their sweet expressions, always bring much pleasure to all that are able to attend. Our youngest students' routines often consist of a song with movements. This is often their first opportunity to perform in front of an audience.

These shows are for the **residents**. We ask that only **one** parent per dancer come to the show. Parents need to stay clear of the viewing area until **after** all residents are wheeled in or have been seated. At some of the locations there will not be room enough for parental viewing. Parents may wait in the lobby. We all love to watch our children perform and will have that opportunity at the spring recital. We appreciate your cooperation.

Please arrive 15 minutes early for the performances. Hair, light makeup and costume to be put on at home.

<u>Retirement Center</u>	<u>Location</u>	<u>Date/Time</u>	<u>Class Participating</u>
Holy Family Ret. Ctr. (St. Anne's Convent)	Building on right as you come up driveway	Sunday, December 9 2:00 PM	Monday, 9:45 SGA
