

FATHER/DAUGHTER SCHEDULE

It is a tradition in Junior Dance Troupe that every other year we do a father/daughter dance in the recital. This is a special treat for both the dancers and their dads (or other significant father figure). It is a great bonding experience and creates a special memory that they will both cherish for a lifetime.

The girls will do two dances in Junior Dance Troupe. One dance is their tap dance which they will do for both the recitals and competition. The other dance, the father/daughter dance, will be performed in the May 12 dance recitals only.

Below are the scheduled practices for the father/daughter dance. When practices are during Junior Dance Troupe time, **all girls still come to class at regular time.** The dads should report at the time listed. It is very important to be at all the practices which will be held at the Highland Heights studio unless otherwise noted. For practices, dads should dress comfortably and have on gym shoes.

Below are the details for what the dads need to wear, some of which will be provided by you. The cost of the items being ordered for the dads is \$13. We can't wait to meet all of our talented dads!

Dads:

- own blue jeans (similar in color to girl's vest)
- own white button-down shirt, sleeves rolled up to forearm
- own black socks
- own black cowboy boots
- checkered bandana*
- black cowboy hat with checkered band*

**items to be ordered by Ms. Lisa*
