WELCOME BACK!

Welcome to our 2019-2020 season of dance and our 35th continuous year in the dance business as Manyet Dance. We thank you for your past support and look forward to a successful and exciting future. We would like to commend all our students on their terrific performances in our May, 2019, recitals. My staff and I were very proud of the students' progress and are looking forward to working with everyone again this year.

Much time has been spent placing students in what we feel is the proper class for them. The first few weeks will be spent observing each student to be sure of proper placement. If we feel a change needs to be made we will contact you, as we want our students to be happy and also to achieve at their highest capability. If you have any questions or concerns about your child's placement, please discuss with the teacher before or after class.

WAITING ROOM AND PARKING

General Rules for Waiting Rooms:

- **Students should arrive no sooner than five minutes before class time.**
- Students are to wait in the waiting room until their teacher escorts them into their dance room.
- While in the waiting rooms, students and any other children should be supervised by their parent. Teachers are not responsible for the actions of the students while in the waiting areas.
- Children should not be running in the hallways or climbing on the furniture.
- Please keep noise level to a minimum as to not disrupt any ongoing classes.
- Parents choosing to leave during the class time are expected to promptly pick up the students at the end of class.

Southgate: The waiting room for all Southgate classes is downstairs. Allow time for parking as there are limited nearby spaces in front of the Southgate building. We do, however, have permission from St. Therese to use their northwest parking lot which is directly behind our studio building. **We highly suggest using St. Therese's lot!** To use St. Therese's lot please enter in front of the church from Temple Avenue and go to the far end of their lot near a tan shed. There is a lit walkway from this parking area to the front of our building. Parking is available to us weekdays 4:00 PM and after and on Saturdays. While using the St. Therese parking lot, be cautious of their after-school program which is sometimes using the corner of the parking lot. **Please be courteous to our neighbors and do not park in or in front of their driveways or at any yellow curbs.**

Highland Heights: The front lobby is the designated waiting area for both Highland Heights studio classrooms. There is ample parking at this location in our parking lot. **When dropping off dancers, please do not stop at the doors** but instead pull around the building and drop off near the front sidewalk or pull into a parking space.

Wilder: There is also a lobby in the Wilder studio in which students and parents are to wait. There is ample parking in the Town & Country parking lot.

Manyet Dance 2019–2020 Dance Troupes & Auditions

The Manyet Dance Troupes were started over 20 years ago to offer extra classes for those students who wished to get a little more involved in dance than their one class per week allowed. Over the years, these chosen groups have performed original routines in our annual recitals which have proven to be a highlight in our show. They have also performed at Children's Hospital, Ronald McDonald House, Optimists' Regional Dinner Banquet, Kindervelt Market, Cincinnati Reds Opening Day Parade, Bellevue-Dayton Memorial Day Parade, Fort Thomas Fourth of July Parade, Alexandria Fair Parade, the American Heart Association Dance for Heart at the Florence Mall, Newport on the Levee, high school talent shows and basketball games, TMU basketball games, NKU basketball games and more. These dancers have also brought much joy to our area's senior citizens with their talent not only for their own enjoyment but for others. They compete at least once a year and have won platinum trophies and extra awards for their abilities and enthusiasm. The Senior and Elite Troupes are invited to travel and compete nationally every other year. They have won National awards at competitions in Las Vegas, Orlando and Panama City Beach. Not only do the groups build close friendships and self-esteem but the dancers also learn that dedication, responsibility and hard work can bring many rewards and personal satisfaction. During tryouts the dancers will be judged on their ability to learn quickly, execution of steps and showmanship. Enthusiasm is a must!

We think that you will be pleased with the line of products from Mountain Empire Promotions and are encouraging everyone to participate. Here's how it works.

Each student will earn one "Ready – Set – Recital!" bundle credit of \$50 for each \$150 of merchandise sold*. Bundle credits are not transferable to another student's account. Bundle credits only apply to the current dance year's "Ready – Set – Recital" bundle. Participating in the fundraiser is a great way to receive free costumes, recital video and recital T-shirts!

Individual prizes from categories in the Prize brochure will also be awarded. Please see the enclosed brochure. Additional prizes are:

Top Seller	Beats by Dre headphones + 6 Free "Best Seats in the House" 2020 Recital Tickets
Second Place	\$50 gift certificate to Newport on the Levee + 2 Free 2020 Dance Recital Tickets
Third Place	2 Free 2020 Dance Recital Tickets + \$25 credit to your Manyet account

These top sellers will also receive their bundle credits and awards from the Prize brochure.

Cookie dough orders should be written on the same order form used for all items (do not use the back side of the cookie dough brochure).

GREAT NEWS!!! Out of town friends and family may order on line by connecting with www.MEP.FORFUNDSONLINE.COM (use code 59986 and their orders will be delivered directly to them). The product brochure and order form are enclosed for your customers here at home. You do not have to charge sales tax. The seller should completely and accurately write each customer's name, telephone number and items ordered on the order form. Additional forms are available in the office, if needed. **Please collect all money at the time the order is taken.** Total your sales and write the total amount in the box at the bottom of the form. **Write the number of items sold and the prize levels you earned on the outside of your envelope where specified.**

All orders must be paid for with one check or money order made out to Manyet Dance when the order is turned into the Southgate studio. Bundle credits are applied to the account of the student whose name is on the order form. Bundle credits are not transferable to other siblings.

We only accept checks from our dance families. Make check payable to Manyet Dance.

(More information on back)

Payment, in full, and order forms MUST be turned in by midnight, Wednesday, October 2, 2019, in order to qualify for all prizes and bundle credits. *In fairness to everyone who turns their orders in by the deadline, any orders turned in after October 2 will not qualify for the above prizes.*

Please be sure that the student's name, class time and location are written clearly on each form and payment envelope. Merchandise is expected to arrive in early November. Students will receive their orders at the end of their class times. Winners will be announced and prizes awarded after the merchandise has been delivered. All orders are 100% satisfaction guaranteed. To qualify for a bundle credit the student must be enrolled in a class and must be a participant in one of our dance recitals. Your cooperation in following these instructions is very important for a successful and beneficial fundraiser.
