## *Dancing Through the Years* *35<sup>th</sup> Anniversary*

### **Tower Park Amphitheater**

**Fort Thomas, Kentucky**

**Saturday, August 22, 2020**

Wow! What a year! I never thought we would be having an outdoor recital, yet here we are! Through the compassion and perseverance of the staff as well as the support of all of you, we are making year 35 one to remember. I want to thank all of our parents and students for your support and cooperation especially at the end of the year as we navigated online classes and new classroom protocols. It was a pleasure working with you and your dancers. We hope your dancer had an enjoyable year while progressing in their dance ability and gaining confidence and poise. In times of uncertainty, Manyet Dance will continue to be there for you and your dancer. We can't wait to see everyone back next dance season!
