

MANYET DANCE

presents

May 7, 2022

1:30P, 4:00P & 6:30P Highlands High School

What a wonderful year it has been at Manyet Dance! My staff and I are extremely thankful for your support and cooperation throughout this year. We are thankful that we were able to continue sharing our passion with your dancers and to teach them this past year. While we started the year still with some uncertainty, our staff and dancers rose to the occasion and finished the year strong! We are thankful that our dancers get to show off their new dance skills by having a recital, in a theater, with an audience full of smiling family and friends! We could not have done this without the cooperation of all of our Manyet Dance families. It has been a pleasure working with each and every one of you. We hope your dancer not only had fun but progressed in their dance ability while gaining confidence and poise. We cannot wait to see everybody back next season!
