

Meet Ms. Kelsey

Dear dancers and parents,

Hello, my name is Kelsey Taylor. I am a graduate of Northern Kentucky University where I received a Bachelor of Science in Athletic Training with an area of concentration in Exercise Science. I am also a graduate of Kent State University in Ashtabula where I received an Associate of Applied Science in Physical Therapist Assistant Technology. I currently work as a Physical Therapist Assistant for Beacon Orthopaedics & Sports Medicine. This is my thirteenth year as a teacher and I am very excited to not only be your teacher, but to get to know you as well. Let me share with you a bit of my dance experience.

I began taking dance at the age of four and currently I am in the adult advanced combination class. That makes twenty-seven years now that I have been taking dance. In my twenty-seven years at Manyet, I was a member of the Dance Troupes for eleven years. Through my participation in Dance Troupe, I took part in numerous national conventions held by Dance Educators of America and several other dance programs. Along with ballet, tap, and jazz, I also have three years of experience in hip-hop.

I have attended numerous conventions put on by Sheer Talent and Platinum Dance Experience since my days in dance troupe to continue my education in dance. I have also had the opportunity to choreograph various trios and solos for the Dance Troupes that have received top scores.

As you can see, dance is a huge part of my life. Outside of dance, I enjoy spending time with my family and friends. I also enjoy watching sports (especially football) and TV shows including The Office and Friends. I have a daughter, Elise, who is two and a half years old. I also have a large dog, my fur baby named Chevy.

As we begin the start of the 2024-2025 year at Manyet Dance, I am excited to get back into the activity I love most. Dance has always been a big priority and passion in my life. My goal is to not only teach my dancers the fundamentals of dance, but to share my passion and joy for dance with them as well. If you wish to contact me with any questions throughout the year, my email is kelstay66@gmail.com. I am looking forward to having a great year with you all!

Sincerely,
Ms. Kelsey
