

Meet Ms. Maddie

Hello Manyet Families!

My name is Ms. Maddie Schweitzer and I will be one of your dancer's teachers this year!

I began dancing at Manyet when I was only two years old (23 years ago!) and I am so grateful to be starting my 10th year as a teacher! I grew up taking classes in ballet, tap, jazz, pointe, tumbling, and I was a member of the Manyet Dance troupes.

Throughout high school, I competed with the Bellevue High School marching band as a member of the colorguard. This experience allowed me my first opportunities to choreograph dances for others and encouraged me to think about dance in new ways. In 2017, I graduated from Bellevue High School and decided to continue my education at Northern Kentucky University. While I chose to major in English for undergrad, I was fortunate enough to study ballet, tap, jazz, and modern dance at NKU as well. These classes were both a nice break from my regular coursework and a great opportunity for me to learn new teaching styles and broaden my skills.

In May of 2021, I graduated from NKU with a Bachelor's in English and a focus in communications. After graduation, I continued furthering my education and graduated with a Master's in Business Administration this past May. I have been very lucky to find a career that allows me to combine skills from both of my degrees, and I currently work as a Marketing and Communications Specialist at RWI Logistics.

Currently, I continue my own dance education in the adult combination class at Manyet. Outside of my time at Manyet, I enjoy reading, traveling, spending time with my family, and learning new things!

I can't wait to start another amazing dance year with you!

Happy Dancing,
Ms. Maddie
